On behalf of CAST children's theatre, we are excited to announce that on Friday, November 3, 2023, CAST will be having a gala celebration: **Shine On! Celebrating Over 35 Years of CAST** at A Villa Louisa in Bolton, CT. This event will be one of our biggest fundraisers of the year that will assist in raising meaningful support for our nonprofit organization.

Can you help support this event with a donation of a product or service from your business? The donation of an item, gift certificate, or other will be used in our tea cup drawing or silent auction or may be used for something to support the overall program. All item donors will receive acknowledgement during this event and in other ways through our website and media.

Donations may be mailed to CAST at P.O. BOX 1268, Manchester, CT 06045-1268 or you may contact us directly at the numbers below for a local item pickup.

CAST is a theatre organization helping to preserve the arts in the greater Manchester area and beyond. CAST started as a small children's theatre group 36 years ago, run out of the home of its Co-Founder, Donna Mercier. In the beginning, CAST operated primarily during the summer, mounting musical productions out of Manchester High School's Bailey Auditorium. However, since inception, CAST has grown ten-fold. CAST, Inc. now operates out of its own facility on Summit Street in Manchester, CT. CAST has grown from a children's theatre group doing summer musicals to a full scale theatre group offering year round productions and classes for children.

We do not turn children away who cannot afford our program due to financial constraints. We work together to find a way to make it work. We want all children to experience the magic of the performing arts.

CAST is a 501(c)(3) non-profit organization, so your donation is tax deductible to the full extent allowed by law. Your generosity as a donor enables CAST to continue to enrich and preserve the arts in the greater Manchester area and beyond. Our EIN # is 22-2906484.

Thank you so much for your anticipated generosity and continuous support of CAST children's theatre.

Sincerely,

Donna R. Mercier

The mission of CAST is to enrich the lives of children through the magic of performing arts, thereby inspiring them to strive toward higher goals. We do this one line at a time, one show at a time, one child at a time.
