ZOOKEEPER ZOE: Stop by and visit our Antarctica exhibit, and say hello to our cute and cuddly penguins.

(The PENGUINS waddle in and stand in line. They are blocking KOWALSKI, who is standing behind them.)

ZOO GUESTS: Awww.

SKIPPER: Just smile and wave, boys. Smile and wave.

Freely, under dialogue

105

3

(SKIPPER:) Kowalski! Progress report!

(KOWALSKI pops his head up.)

KOWALSKI: We're only five hundred feet from the main sewer line.

SKIPPER: And the bad news?

Mission Impossible

108

4

KOWALSKI: I don't think our shovel can take much more.

(He holds up an oversized plastic spoon.)

SKIPPER: Today we quit this dump, you understand?

Now keep digging!

112

PRIVATE: And me, Skipper?

SKIPPER: As you were, Private. Just keep looking cute and cuddly. Now, where are we goin', boys?

ALL PENGUINS:

SKIPPER: Keep diggin', son!

We're go - in' back where we be - long.

time! At the Cent-ral Park Zoo!

ALEX

Thank you! You're a great crowd! Thank you very much. Hey, check out my website. Twenty-four-hour Alex cam!

(The ZOO GUESTS cheer and then move to watch either GLORIA or the LIONESSES. MARTY is left alone.)

MARTY

Yep, show's over, folks. Thanks for coming. I'll be here all week! In fact, I'll be here for my whole life.

(#2 – PENGUIN UNDERSCORE 1 begins.)

(MARTY)

Hey, you in the tux!

SKIPPER

Great Scott! We've been spotted!

(The PENGUINS freeze.)

MARTY

What the heck are you guys doing?

(SKIPPER unfreezes and looks at MARTY.)

SKIPPER

(to the PENGUINS)

At ease.

(The PENGUINS unfreeze except for PRIVATE, who stays frozen.)

Can you keep a secret, my monochromatic friend? We're going to Antarctica!

MARTY

Ant-hootica?

KOWALSKI

Do you ever see any penguins running free around New York City?

RICO

We don't belong here. It's just not natural.

SKIPPER

This is all some kind of bizarre conspiracy. We're going to the wide-open spaces of Antarctica. To the wild! Move!

(The PENGUINS begin to quickly move offstage.)

MARTY

The wild?

SKIPPER

You never saw us here. ¿Comprende?

(SKIPPER starts to leave when he notices PRIVATE is still frozen. SKIPPER crosses to PRIVATE and pushes him offstage.)

MARTY

Yeah. Sure. I never saw anything but I sure would like to!

(#3 – WILD AND FREE begins.)

WILD AND FREE

(MARTY:) I know there's got to be more than just this zoo.
